Hotelier India is the most preferred magazine for the hospitality business in the country. It delivers vital information about contemporary trends, successful policies and practices adopted by industry leaders, in-depth reports on various aspects from key decision-makers and the people who matter. Hotelier India covers the major facets of the industry, ranging from news and insights to perceptive interviews, case studies and market intelligence reports. Over the years, the magazine has gained a strong reputation for its analytical approach, ability to gather views from top-ranking industry professionals and organise roundtable sessions with virtually every segment of the Indian hospitality sector.

Hotelier India has emerged as the most preferred magazine in the hospitality business, over the past decade.

Hotelier India is distributed to, and read by, an audience of hoteliers, operators, developers, owners, architects, interior designers and consultants as well as industry associations and educational institutes connected with the hospitality sector.

Hotelier India counts key decision-makers as central to its readership profile. This includes MDs, presidents, chairpersons, CEOs, CTOs, CIOs, CFOs, vice-presidents, project heads, consultants and general managers, as well as heads of various departments in the hospitality industry, including sales and marketing directors, chief engineers, procurement heads, revenue heads, housekeeping heads, chefs, F&B directors, etc.

Hotelier India is read by all branded international and national hotel chains across India.

Hotelier India organises several events to help industry professionals gain better insights about the dynamic industry and also validate the market before investing into newer products and processes.
Our distinguished advisory board has been assembled to help guide Hotelier India to become even more representative of its community. Members have been invited from the highest levels of the industry to ensure that the magazine continues on its path of success.

“Hotelier India is a must read for me as it is a very strategy-focused journal. Most articles are either futuristic or visionary. At senior positions, insights and ideas are what we look forward to, besides top management interviews that help assessing industry direction in particular and brand directions in general.”

RANVEER BRAR
Celebrity Chef & Director - FoodMantra F&B Ltd

“Hotelier India is a one-stop-shop for news, operations and about the key people driving the hospitality business. It gives great insight about various verticals and industry statistics. Its in-depth studies provide vital understanding not only on where the future of the industry is headed but what essential changes we need to make to remain on top of the latest trends and changes.”

VIPUL KAMBOJ
Director of Sales & Marketing, The Leela Ambience Gurgaon Hotel & Residences

“Many of the magazine’s articles address trending topics and headline events. Hotelier India is the leading publication within the industry.”

RAHUL DATTA
President - Hospitality, Panatchi Hotel

“Hotelier India is a very important magazine as it is more strategy-focused and provides a lot of information for the people in our business.”

RAJNATH KESWANI
Deputy MD, The Lemon Tree Hotel Company and Chairman, Carnation Hotels

“Hotelier India always delivers a lot of information in a very strategic manner making it a must read.”

SUNJAE SHARMA
Vice President, India Operations, Hyatt Hotels and Resorts

“Hotelier India is well respected in the industry and a publication that we look up to.”

SHAHROM OSHTORI
Director of Food & Beverage, Sofitel Mumbai BKC

“Hotelier India is a very important publication. Every article is related to the business.”

VIJAY THACKER
Director, Horwath India

- 28% of Hotelier India’s readers are either solely, or jointly, responsible for a budget of between US $1 million to $10 million annually.
• Hotel Build India 2020 is the only platform for high-value networking and knowledge-sharing among key hotel operators, leading property developers, top-level architects and interior designers, the best structural consultants, cutting-edge technology suppliers and basically everyone involved in building a hotel – all in three activity-packed days in April/May 2020.

• Highlights include an exclusive CEO panel and a Masterclass on prefabricated hotel build.

The F&B Conclave is a unique and one-of-a-kind one-day hospitality conference focusing on the food and beverage segment, which provides an excellent platform for decision makers and influencers like CEOs, MDs, chefs, hoteliers, restaurateurs, F&B directors and managers as well as hospitality interior designers, procurement heads for hotel and restaurant. It also sees the participation of equipment and suppliers, caterers, etc, from across the country. More than 200 participants from the hospitality sector come together from different verticals of the hospitality segment for this event.
HOTELIER INDIA AWARDS 2020

• The most prestigious event for the Indian hospitality industry, these awards honour those hospitality professionals who have rendered exemplary service to their organisations and corporate peers.

• The Hotelier India Awards bring together the creme de la creme of the country’s hospitality industry. As such, it is an ideal place for suppliers and service providers to promote their brand, meet potential customers and network with their existing clients.
Hotelier India brings together top GMs from various cities across the country to raise core issues and share their experiences. GMs representing leading hotel chains discuss topics ranging from pain points to success stories – including critical subjects like guest satisfaction, revenues, development & training, changing market trends.
Hotelier India BEAMS 2020 (Building, Electrical, Air-conditioning, Maintenance & Safety) Powered by Hotel Chief Engineers Association - AWESOME is a full day conference that provides an excellent platform for decision makers, with participants from the hospitality, Commercial offices, Malls, Hospital sectors which includes: CEO’s, DOE’s, Chief Engineers, Purchase heads, Architects & MEP Consultants.

The focus area of the conference include:
- Addressing the importance fire & Safety
- Devising Sustainability as a means to increase profitability.
- Integrating intelligent electrical systems
- Working out efficient (HVAC) and air quality
- Analysing best practices for O&M
- Exploring latest trends
